2. CMT-HS

### SAFETY INSTRUCTIONS

1. Entrust mounting equipment only to experienced professionals and strictly follow the provided safety instructions. Improperly installed equipment may result in property damage, personal injury and/or liability for the installing contractor.
2. **Always use safety cables!** This will prevent equipment from falling during setup or while exploitation.
3. Always carefully check the mounting surface of the wall. Make sure the wall or ceiling structure allows to hold the weight of the speaker including its bracket.
4. Only use appropriate fastening hardware.
5. Always make sure to securely use and lock all mounting bolts. Loose bolts may become unscrewed over time due to vibration which will then create a safety hazard.
