

# SR-600/24U

Rack stand  
19 inch

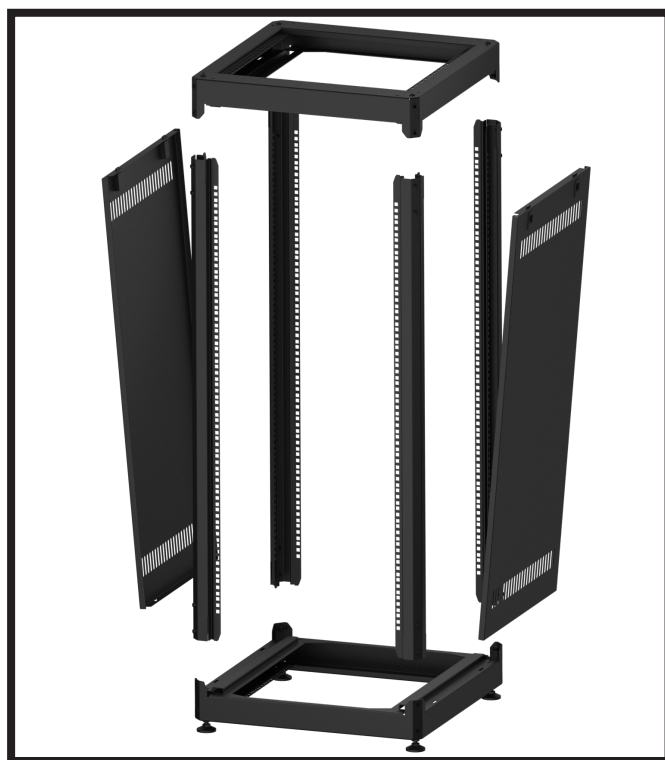

The SR-600/24U is a sound rack that provides mounting space for standard 19 inch devices. This rack features 19 inch rails on the front, rear, side, top and bottom panels, providing ultimate mounting convenience for any installation.

The SR-600/24U is available in two versions, a basic and an extended kit version. The basic version provides the essential frame and side covers; the extended kit version additionally includes set of 19 inch covers to also fill the front, back, top and bottom spaces.

This high end and robust sound rack is assembled in less than 10 minutes using only one size standard hex key, which is provided with the rack.

All parts of this sound rack are covered with scratch-resistant black polymer finish.

## BASIC version

### SAFETY INSTRUCTIONS

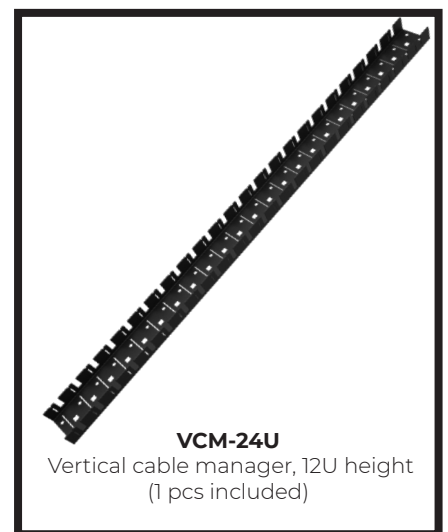

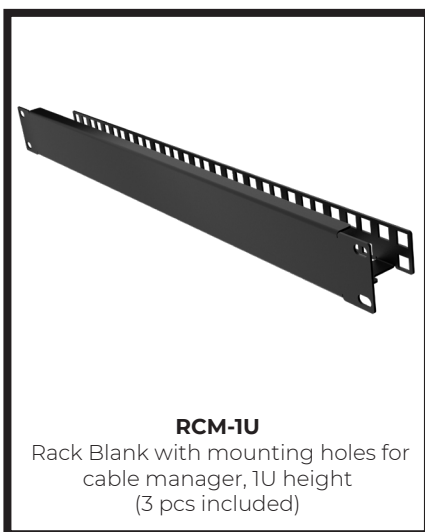

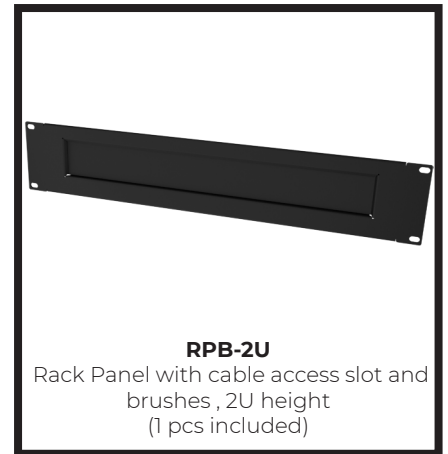

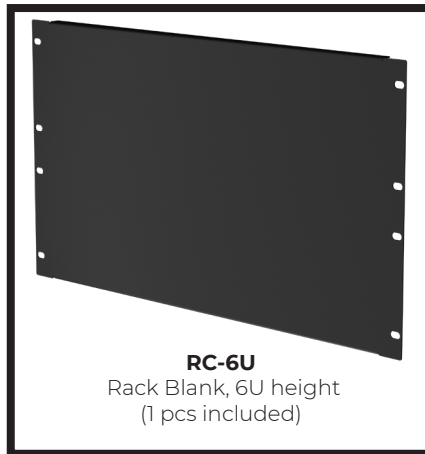

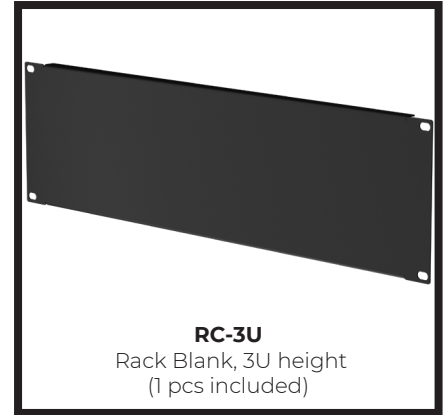

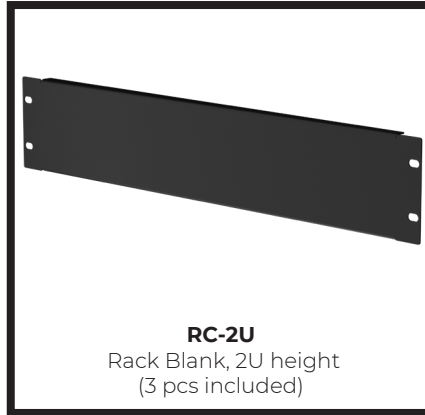

1. Entrust mounting equipment only to experienced professionals and strictly follow the provided safety instructions. Improperly installed equipment may result in property damage, personal injury and/or liability for the installing contractor.
2. Only use appropriate fastening hardware.
3. Always make sure to securely use and lock all mounting bolts. Loose bolts may become unscrewed over time due to vibration which will then create a safety hazard.
